

# PRIVACY POLICY

We at GardGroup Inc. respect your right to privacy. We recognize that you will provide or have provided us with personal information such as your name and contact information. The purpose of this Privacy Policy is to explain why we may collect Personal Information, and to provide you with information should you have any questions or concerns about our privacy practices.

## Why does GardGroup collect Personal Information?

Below are the only reasons why GardGroup Inc. may collect, use or disclose your personal information to outside parties:

- To complete your sale, provide better service, for warranty and credit transactions;
- In response to requests for information regarding products, services or distributorships;
- For product or service improvement through better understanding of your needs;
- For inclusion in advertising and marketing campaigns regarding PPS Technology brand products and services. (ie. newsletters, annual warranty reminders, product information, marketing support and promotional offers)

## Limiting our use and disclosure of your Personal Information

By providing your Personal Information to GardGroup you are giving us authorization to use and disclose that information in accordance with the principles outlined in this Privacy Policy. If you prefer not to have your Personal Information forwarded for any reason notify us of such as indicated below.

Please note: A notification that we not use or disclose your Personal Information for any purpose may affect our ability to provide you with the proper products and services you require.

## Our disclosure of your Personal Information to Third Parties

GardGroup does not sell, trade in, barter or exchange any Personal Information it has obtained and we will only provide Personal Information to third parties if such Personal Information is used solely for the purposes of providing services to GardGroup Inc. or its Distributors.
